<https://github.com/Kasador>

I'm passionate about what I do and I love to code. I'm a self-motivated, passion driven developer who speaks Spanish and can problem solve anything that is thrown my way. Check out my projects [here](#).

City of Idaho Falls / Contract Web Developer

FEB 2019 - JULY 2019, IDAHO FALLS, ID

Developed and designed a website. Kept contact and attended bi-weekly meetings. Check out the website [here](#).

East Idaho News / Web Intern

JAN 2019 - MAY 2019, IDAHO FALLS, ID

Helped maintain and managed website with over a thousand active users a day . Updated video player on site with google-ima for ads and video.js plugin for the player. Used test server to test code. Pushed all code on BitBucket.

DriftLodge & Flyshop / Front Desk

2012 - 2017, ISLAND PARK, ID

Managed check-ins, check-outs. Collected/updated new reservations, Closed/filed, made reports. Organized/updated system.
